PERFECT REFLECTIONS

Many years ago, it was a common sight to see a woman in a sari, sitting on a lawn, surrounded by a basket of fruit. And there she would be, for hours, in perfect reflection of the world around her. The world is not perfect, it is a reflection of the world around her. The world is not perfect, it is a reflection of the world around her. The world is not perfect, it is a reflection of the world around her.
