GLAMOUR ISSUE

The beauty of a woman is not in a facial mode but the true beauty in a woman is reflected in her soul. It is the caring that she lovingly gives the passion that she shows. The beauty of a woman grows with the passing years. Beauty is power; a smile is its sword. The beauty of a woman must be seen from in her eyes, because that is the doorway to her heart, the place where love resides. Real beauty is to be true to oneself. That's what makes me feel good. The best part of beauty is that which no picture can express.
