DELICATE

Celebrate the rich textures and understated patterns created for the our temporary women, feel us dwell in our lush
and designs and be inspired by the beautiful surroundings that we have selected for you to showcase our collection.
Let but a single flash of reality – the glimpse of a woman there, as or from behind – enable us to project the image
of Beauty before our eyes, and we imagine that we have recognized it, our hearts beat, and we will always remain
half-persuaded that it was she, provided that the woman has vanished. It is only if we manage to overlook her that
we realize our mistake.
