Don't be into trends.
Don't let fashion own you,
but you decide who you are,
what you want to express by
the way you
dress and the way you live.

o

Fashion you can buy,
but style you possess.
The key to style is
learning who you are.
which takes practice.
There's no how-to road
map to style.
It's about self-expression and,
above all, attitude.
